

**Saluda Baptist Church Preschool
Sickness and COVID-19 Policy**

Saluda Baptist Church Preschool (SBCPK) reserves the right to deny entry to anyone presenting illness.

No child will be allowed to attend SBCPK if they are presenting with fever, cough, undiagnosed rash, runny nose (beyond normal allergies), diarrhea, or vomiting. Each child will have their temperature taken at drop off. If the child has a temperature of more than 99.0 degrees, they will be sent back home. If a child develops fever during the course of the day, parents will be asked to immediately pick up their child. The child may not return to SBCPK until 48 hours after they are symptom free without the aid of medication.

No child may attend SBCPK if they have been in contact with a COVID-19 positive individual within the last 14 days. A child with a household member that tests positive or is waiting for results of testing for COVID-19 will not be allowed to attend until everyone at home is fever free and symptom free for 10 days without medication. (CDC guidelines- July 22,2020) If your child has been exposed to COVID-19 and has attended SBCPK prior to a positive diagnosis, it is the responsibility of the parent to inform SBCPK as soon as it is known. Failure to do so will result in disciplinary actions up to and including termination of enrollment.
